

# Ann Brennan

Professional Speaker, Author,  
Vlogger, and Entrepreneur

*Book and Connect with Ann Today!*

Ann Brennan is the owner of ASMM Digital Marketing, co-host of the Marketing Mums Podcast, and founder of Burgers and Bands for Suicide Prevention. Ann believes that marketing can only start when a company has truly explored their core values, unique selling proposition, and target clients. She and her team are responsible for helping businesses across the country market themselves using social media marketing, website design, content marketing, and community management. She is a frequent speaker at BBB, Chambers of Commerce, and networking summits.

## Speaking Topics

- How to use social media to effectively market your small business
- How to uncover your brand
- Creating an effective marketing campaign
- Who is your audience - expand your business by getting to know your customers
- How AI will affect small business and what you should do about it
